

## **EARLY CAREER PROFESSIONAL WORKSHOP AWARD**

**Award (x2):** Coverage of Workshop Fee

**Applicable to:** Young Professionals (within 5 years post-graduation)

**Deadline:** January 1<sup>st</sup>, 2017 at 11:59pm

The Early Career Professional Workshop Award is a newly established award sponsored by the Continuing Education Committee of the North Central Division of the American Fisheries Society. The goal of the award is to encourage workshop attendance of recently graduated young professionals at the Midwest Fish & Wildlife Conference. The award will cover the registration fee for any of the workshops that are being held at the conference. Preference will be given to individuals presenting at the meeting, and those involved in continuing education or outreach.

### *Requirements for Application*

All young professional NCD members (within 5 years post-graduation), including Agency Biologists, Post-Doctoral Fellows, and Faculty are encouraged to apply. Applicants must be considered Early Career Professionals at the time of application (January 1<sup>st</sup>).

### *Application Package*

The application should consist of the following and should not exceed 3 pages:

- Letter of workshop interest, including statement of continued education effort and outreach
- Current resume, including position held, degree(s), list of publications, honors and awards, and presentations
- Title and abstract of the contributed paper(s) or poster(s) being presented at the conference.

### *Application Address and Deadline*

January 1<sup>st</sup>, 2017 at 11:59pm

Please submit the application package in electronic format (single PDF document) to David Deslauriers at [david.deslauriers@umanitoba.ca](mailto:david.deslauriers@umanitoba.ca). The recipient will be notified near the beginning of January.
