

**American Fisheries Society North Central Division**  
**Rivers and Streams Technical Committee**  
**Annual Spring Meeting**  
April 2-3, 2019  
Rock Island Conservation Club - Milan, Illinois

**April 2 – Tuesday**

Welcome / Introduction  
Quad Cities Welcome and Update  
Treasurer's Report

Megan Thul  
Dave Herrell  
Louise Mauldin

**Old business:** none

**New Business:**

- Chair asked group their interest in hosting a joint meeting with the Salmonid Technical Committee to jump-start the tech committee that has been non-active for a number of years.
  - Consensus was to maintain location of RSTC meeting in Milan, Il. If moved, would lose attendance from many that regularly attend meeting.
  - **Recommendation:** Invite tech committee to RSTC meeting in 2020
  - **Recommendation:** Invite tech committee to DARE Symposium in Feb 2020- in La Crosse, WI. There are commonalities in topics since the Driftless Area fish habitat partnership is coldwater focused.
    - Action item: Chair to reach out and invite Salmonid Tech committee to RSTC meeting in Milan, Il in 2020 and suggestion to contact DARE symposium organizer contact.
- Question raised for the night of the **Bernie Schonhoff Memorial Fish Fry** and social, if shuttle could leave the Rock Island Conservation Club at 9:00 returning to the hotel.
  - No concerns raised for the earlier pick up time at the Conservation Club
    - Action item: Chair to check with shuttle company to schedule a 9:00 pm return time to the hotel from the Conservation Club for future meetings.
- Chair asked for suggestions for next year- pointed out Suggestion box at registration table
- Presentations

**April 3 – Wednesday**

- State Chapter reports
  - Reminder to send reports to Secretary/Treasurer by end of April
- Presentations
- Meeting Conclusion
