Midwest Fish and Wildlife Conference Student Travel Grant “Sander Award”

Purpose: To financially assist a student conducting research of interest to the Walleye Technical Committee (WTC).

Description: A travel grant of \$200 from the WTC of the North Central Division of the American Fisheries Society for a student to attend the Midwest Fish and Wildlife Conference. From 2007 to 2017 the award was \$100 from the WTC, and the student’s AFS chapter was requested to match the award. The student’s AFS chapter is still requested to match the award but is under no obligation to do so.

Eligibility Criteria: The recipient of this award must be a student who is currently enrolled in a college or university for a degree program. Preference will be given to those involved in research of interest to the WTC.
