

2020 Summer Joint Centrarchid, Esocid, and Walleye Technical Meeting

North Central Division of the American Fisheries Society

ANNOUNCEMENT & CALL FOR PAPERS

July 21 – 23, 2020

Conference Facility & Lodging:

University of Wisconsin - Kemp Natural Resources Station
9161 Kemp Road, Woodruff, WI 54568

<https://kemp.wisc.edu/>

Meeting

The meeting will include a welcome grill out social Tuesday evening with possible fishing opportunities, a full day of presentations Wednesday followed by an evening dinner social, and a half day of presentations/business meetings on Thursday. Registration cost is anticipated to be \$70 and will include both socials, coffee breaks, and lunch on Wednesday. Student registration is half price. Early Monday arrivals interested in PM fishing opportunities contact Steve Gilbert for details.

Continuing Education Program - Tuesday, July 21 (12 - 5 pm)

A workshop entitled “**The Minocqua Chain Walleye Rehabilitation Project – a case study into the biological and socio-political aspects of fisheries management**” will feature presentations covering the history of the Minocqua Chain, its associated fishery, walleye rehabilitation and partnership efforts. Following the presentations, a guest panel will discuss the pros and cons of the case study. Registration cost is anticipated at \$20, which includes coffee breaks and dinner afterwards.

Lodging

Limited number of dormitory-style rooms available @ Kemp NR Station, contact Karla Ortman (715)-358-5667 and mention this meeting.

Block of rooms also reserved at the state rate under group: NCD Technical Meeting at Best Western Plus Concord Inn Minocqua (715-356-1800). Book prior to June 20th.

Other lodging accommodations can be found through the Minocqua Chamber website:

<https://www.minocqua.org/>
