## Minnesota Sea Grant Community-Engaged Internship in Fisheries & Aquaculture

Minnesota Sea Grant (MNSG) is recruiting applicants for the 2024 MNSG Community-Engaged Internship in Fisheries and Aquaculture (MNSG CEI). The undergraduate internships are designed to broaden participation in marine and coastal professions by providing training and mentorship to the next generation of scientists, decision-makers, and community members.

**Position Summary:** This intern will work with MNSG fisheries and aquaculture staff on projects in the lab and in the field. Primary job duties include fish husbandry, field and lab work, and outreach. This candidate must be willing and able to travel to North Carolina to participate in a one-week Sea Grant CEI Field Experience program. Travel costs will be covered.

**Applicants from historically underrepresented communities are encouraged to apply.**

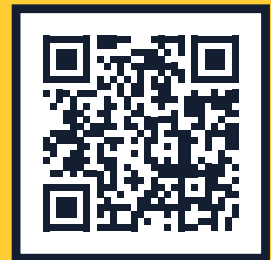

**Location:** University of Minnesota Twin Cities - St. Paul campus with some travel to the University of Minnesota Duluth and statewide.

**Dates of employment:** June 3, 2024 to August 9, 2024. There may be some opportunity to expand the dates of employment based on the candidate's schedule and work activities.

**Compensation:** One-time \$6,000 stipend. Position is 10 weeks and 40 hours per week. Required travel expenses outside the Minneapolis-St. Paul area will be covered.

**Apply:** Email a resume (2 page limit), cover letter (2 page limit), and three professional references with email and phone number to Don Schreiner, Minnesota Sea Grant Fisheries Specialist, University of Minnesota Duluth - [schr0941@d.umn.edu](mailto:schr0941@d.umn.edu)

**Deadline is April 14, 2024: Application documents must be sent no later than 5:00 p.m. CT**

**For additional information
